EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with H. Frederick Rusche on August 22, 2006.

The application has been amended as follows:

Amend claim 1, line 11 to read:

--plurality of slats individually along the assembly path from the slat dispensing station toward the block--

2. The following is an examiner's statement of reasons for allowance:

3. The prior art does not teach automatically longitudinally moving an individual slat along an assembly path from the slat dispensing station to the block dispensing station and a method of assembling a block stringer, not a pallet, in combination with the other limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
